Wednesday, May 27, 5:00-8:00

Foxhunting is an exciting sport that unites humans and animals in the natural beauty of the countryside. Experience the sound of the hunting horn and foxhounds in full cry while galloping with your equine partner.

Join staff and members of the Long Lake Hounds (LLH) for an informal but informative clinic on foxhunting. We begin with a 45 minute discussion of the history, etiquette, dress, tack and proper turnout. We then mount our horses and ride a field with hunting fences to familiarize your horse and yourself with spacing and riding in a group.

You may attend this clinic without a horse. If you do bring your horse, send an e-mail to tell them you are coming. Signatures on liability forms are required. Riders under 18 must have a parent's signature. Helmets and proper riding shoes are required. Western saddles are encouraged also!

Directions: I-494 to Hwy 55 west. Proceed to stoplight in Loretto at County Rd. 19 and turn right (north). Proceed three miles to Strehler Rd. (dirt) and turn left. Strehler Rd. becomes Salem Rd. Go .3 miles to Grace Lane, turn right and it is .2 miles to cul-de-sac and enter through archway for parking.
