Call the LLH Hotline for information (952) 473-1303 or visit www.longlakehounds.com or check the TCCT List

The purpose of the Hunter's Pace is to have a competitive event approximating the condition of the hunt field and to test the rider's judgment of "hunting pace" over fair hunt country. The course will be marked with colored markers. It will be approximately 3 miles long, and run over beautiful rolling fields and autumn woods. The "ideal" time is the goal. The time is set by the Jt. Masters

HUNTER'S PACE OVER FENCES

Contestants will be sent off as pairs or groups at 3-minute intervals, over a course of 10 + fences. The fences are 3'3" or smaller.

HUNTER'S PACE ON THE FLAT

Contestants will be sent off as pairs or families at 3-minute intervals, on a course that closely matches the Pace Over Fences, but without jumps.

THIRD FIELD (ON THE FLAT)

This field is for groups with young riders or inexperienced horses who would like to ride a shorter course without jumps. Each group will leave in 3-minute intervals and ride a well-marked course.
