

Long Lake Hounds

School X Country

Steeplechase Hunt Cup

Sunday September 30, 2012- 10.00 am – 2.00 pm

The purpose of this schooling event is to school horses and riders for Eventing and Hunting by riding fences at a pace with timing. Steeple chase fences will be placed in a circle around the Field of Rolling Hills. Riders will declare which class they wish to compete (BN/N/T/P). Riders make a first round to school the course, presenting each fence to the horse. The second round will be timed and calculated so on finishing you will know how fast you navigated the distance and at what time. This will help with planning your pace when competing over cross-country courses during the season.

THIS IS NOT A RACE.

The Classes and Optimal Timing

1. 1.5 miles/3 Laps @450 mpm = Canter- Gallop – 3ft to 3.3ft fences
2. 1 mile/2 laps @400 mpm= Brisk Canter -3ft to 3.3ft fences or 2.6ft – 2.9ft fences
3. ½ mile/ 1 lap @ 300-350 mpm=trot to slow canter (with Fences) 2.6ft -2. 9ft fences
4. Non Jumping 1 lap @300-350 mpm= trot to slow canter-
