Join Long Lake Hounds staff and members for an informal but informative session on foxhunting.

We begin with a 45 minute discussion on history, etiquette, dress, tack and proper turnout. We then mount our horses and ride in a field with hunting fences to familiarize your horse and yourself with spacing and riding in a group. You may attend this clinic without a horse.

Directions: I-494 go west on Hwy 55. Proceed to stoplight in Loretto at County Rd. 19 and turn right (north). Proceed three miles to Strehler Rd. (dirt) and turn left. Strehler Rd. becomes Salem Lane. Go .3 miles to Grace Lane, turn right and it is .2 miles to cul-de-sac at the end for parking.
